

Meadowbrook Team travelled to Beijing

Meadowbrook is pleased to announce that on March 27th, 2006 we were officially accredited by the Chinese Equestrian Association and the Hartpury College, UK as a "3 Star" public riding club.

Ed Wong, our Stable Manager and a small group of students flew to Beijing to represent Meadowbrook. We were presented with a plaque by the HRM the Duke of York, Prince Andrew and invited to join other riding groups in mounted games. Ayan Kober, Michelle Aepli, Nora Herman, Marie and Sophie Lejeune all did Meadowbrook proud and we were told they stole the show!

On behalf of all staff, we thank all of our students and parents for their patronage
